

Dear Author

The publishing process is not complete until the book reaches its audience. It is important that authors should be actively engaged in the marketing of their book, helping us identify appropriate reviewers and avenues of promotion.

AUTHOR OR EDITOR:

TITLE OF MANUSCRIPT (in full):

□ DESCRIPTION OF THE MANUSCRIPT:

Please send us

1. a detailed description of the content, emphasizing its contribution to its field and indicating the primary audience to which it is addressed (ca 350 words/2500 characters).
2. a very short description of the book, two or three sentences (ca 80 words/650 characters).
3. if intended for your book a short text for the book cover (ca 150 words).
4. a short CV including place and date of birth, date(s) of PHD and/or other qualification(s), previous teaching posts, lectureships, or other positions (with dates):

□ Please suggest 10-12 relevant journals that might be interested to review your book:
Please give us their name, address, e-mail.

□ Please name academic meetings and conferences in this and next year where your book should be presented; if possible with name of event, name of contact person, address, e-mail.

□ What professional, academic, or other groups might be particularly interested in this book? List academic fields for which the book might be used as required or supplementary text.

□ Please suggest 3-5 keywords to each of these fields: treated figures; countries/places/people(s)/tribes/languages; subjects/topics/areas.

Please send us all information via e-mail or on disc; if special characters are used please also send printouts. Thank you!
